- **Go shopping**—Purchase and donate needed Baby Bird Wish List items.
- **Volunteer**—Volunteer orientation usually held monthly on first Sundays.
- **Become a member**—Help preserve and protect Alabama's precious natural heritage with your annual dues.
- **Give what you can**—Express your love for wildlife by making a donation in any amount. Our monthly animal care expenses triple during baby bird season. As funding increases, so does our ability to help more injured & orphaned birds.

Orientation registration, memberships and donations can be made in person at the Alabama Wildlife Center or online: www.awrc.org.

Thank You!
